The Lerillard Insurance Co. ASSETS \$1.400.000.

Prosperity marks the carrer of this great Fire Insurance Company and applause ever waits on success, but when we contemplate the wisdom and energy which achieved this prosperity, even during the existence of an unparalleled intestine war, we are astonished and impressed at the vi-tality of our nation and the irrespectation.

of every right aim and purpose vigorously per-sued, and that those who are the most persis-tent and work in the truest spirit will invariaby be the most successful.

Its progress has not been as rapid as some other companies, but the steady purpose, the never relaxing energy and the practical industry

them with the interests and welfare of the com-pany, by giving them a fair advantage in its successes, without sharing any of the liabilities. The total assets of the company now amount surance companies, will reach in million! In a word its capital is abundant and well invested, its arrests are yearly increasing at

front rank, with the vanguard of its millionaire competitors for fire business, and the history of acter and happy faculty of selecting men of the right stamp and inspiring them with his own ardor. Facts speak louder than words. For instance, the progress of the company since 1800, shows an increase in assets of \$800,000 Winocski, over the Congregational shurch and an anoual premium received of about

\$55,000 37,500 35,000 50,000 55,000 The company has lately purchased that most admirable site No. 152 Broadway, adjoining the "Mahattan" Life Insurance Company's build-

ing elegance of outward finish, with solidity of proportions and purity of design, which for its constructive principles, general aspect, and pe-culiar detail, will not be surpassed by any other

ing, where it will erect in May next, a palatial

creased business. The building will be constructed of Dorchester stone, plain yet light and rich, a chaste specimen of architecture, combin-
